

## **Pacific NW Federal Credit Union is seeking volunteers to join the Board of Directors and the Supervisory Committee**

### **Board of Directors**

PNWFCU recently expanded our field of membership and we're looking for more Directors. We are a not-for-profit financial institution owned by our members, with a volunteer Board of Directors. The Directors provide oversight and strategic direction for management in accordance with the federal credit union acts, bylaws, good business practices, and other rules and regulations. Serving on our board is a great opportunity to be a part of a growing financial institution and gain in-depth knowledge of credit union services.

*Approximate Time Commitment:* 5 hours per month

### **Supervisory Committee Member**

The Supervisory Committee is responsible for ensuring that the credit union is operating in a safe and financially sound manner. Committee members work with auditors to review the operations of the credit union, and confirm that the credit union complies with federal rules and regulations, and with the policies approved by the Board of Directors. Committee members meet on a monthly basis, and have access to free training and education to help them fulfill their role.

*Approximate Time Commitment:* 5 hours per month

If you have a strong desire to help us continue to grow and succeed, and you'd like to learn more about volunteering for a position on the Board of Directors or Supervisory Committee, contact [Henry Tieu](#).
