

ANNUAL MEETING AND BOARD ELECTION

Pacific NW Federal Credit Union would like to introduce you to our candidates running for the Board of Directors at our 76th Annual Meeting in April. There is one new nominee seeking election: Shara Wokal. There are two incumbent directors seeking reelection: Larry A. Long and Spencer G. Wedlund. There is only one nominee for each available position. Therefore, the election will not be conducted by ballot. In this situation, our bylaws call for an election by general consent or acclamation. Nominations for available Board of Directors positions may also be made by petition signed by 1% of the members, which must be received by March 3, 2018. Email Ron Miller at r.miller@pnwfcu.org for more information.

Shara Wokal

My profession developed from an eclectic background of accounting/finance, HR, project management, and general leadership. In each area, my employers gave me flexibility to learn

and expand my “tool box.” It is this flexibility that energizes me each day. My diverse professional experience also provides the knowledge and experience needed to be an asset to the Board and our membership. For these reasons, I ask for your support and to be elected to the credit union Board of Directors.

Larry A. Long

It has been my great pleasure to have the opportunity to serve as a member of your Board since 1999. During that time, we have experienced many changes and, now, many new challenges. I would like to continue serving the membership and help face those challenges as we continue to move forward.

We have a strong credit union that is performing well in difficult times. I feel it is important for us to maintain continuity while adjusting to these rapidly changing conditions. I ask for your

continued support so that I may continue to represent the interests of you, the membership. Thank you for your support!

Spencer G. Wedlund

I am a professional Economist with over 30 years of experience making business forecasts, and also preparing and reviewing financial statements. I have been a member of PNWFCU during all that time. I have enjoyed working with other members of the Board and the management team as we steered the credit union through some difficult times. I am looking forward to helping our credit union negotiate the new challenges it faces in the coming years with your support.
