

84th Annual Meeting & Board Election

Save the Date: Tuesday, April 14, 2026 @ 6:00 p.m. | Erin Way Branch

Pacific NW Federal Credit Union would like to introduce you to our candidates running for the Board of Directors at our 84th Annual Meeting in April. There is one new nominee seeking election: **Jackie Tran**. There are two incumbent directors seeking reelection: **Henry Tieu** and **Linda McKinney**. There is only one nominee for each available position. Therefore, the election will not be conducted by ballot. In this situation, our bylaws call for an election by general consent or acclamation. Nominations for available Board of Directors positions may also be made by petition signed by 1% of the members, which **must be received by 12pm on February 13, 2026**. Email boardsecretary@pnwfcu.org for more information.

LINDA MCKINNEY

Ms. McKinney, a retired Environmental Specialist with BPA, has been a PNWFCU member since 1979 and has served as a director since 1995. Ms. McKinney stated that she “would like to give something back in return for all the assistance, understanding, friendliness and professionalism I have received from the credit union throughout all the years of my membership.”

HENRY TIEU

I was appointed to the Supervisory Committee by the Board of Directors in 2003 and eventually served as its Chairman. In this role, I provided leadership to ensure that records were maintained properly, honestly, and accurately; that policies were legally sound and faithfully implemented; and that strong internal controls were in place—all to ensure members received the highest level of service. Now recently retired, I enjoy international travel and spending time with family and friends. It has been a privilege to serve the credit union, and I look forward to continuing my service on the Board of Directors.

JACKIE TRAN

At the beginning of 2022, I was honored to join the Supervisory Committee. While I didn't have extensive supervisory experience at the time, I embraced the opportunity with curiosity and a genuine desire to learn. In the short time since, I have gained valuable knowledge and insights that have enriched my understanding and helped me grow in this role. I am equally privileged to be able to serve on the Board, where I can continue to maintain honesty, integrity, and a commitment to serve. With much enthusiasm I look forward to being a part of "Your financial partner for life."
